

Managing The Generation Mix™

Leverage everyone's unique talents so every team member is focused on the only finish line that matters: the highest quality results achieved in record time by the highest quality talent.

Discover new management competencies and dozens of best practices that will help you more effectively avoid clashes, resolve difficulties, and improve productivity on age-diverse teams.

Bridge the understanding gap between generations to clear the obstacles to more productive relationships.

Program includes:
workbook, fun activities, prizes

8-hour workshop can
be broken down into:
2, four-hour workshops
4, two-hour workshops or
8, one-hour workshops
(excellent for meetings)

Learn the histories underlying each generation in the workplace and the strong generational trends in attitudes, values, and perspectives.
